

**PARTICIPATION AUTHORIZATION
FOR
FUNERAL SERVERS**

I, _____, give my permission for
(parent/guardian)

_____ to participate as a server for funeral masses.
(student's name)

I understand that this is voluntary and that my student will miss class during the time that he/she is participating. It will be the student's responsibility to check with their teacher to make sure that any work missed is made up. Transportation for funeral masses is provided by Father Fred Gatschet.
